

As a requirement of the Town, all safety sensitive roles must successfully complete a background. We have formalized this process with SSCI to ensure quick and easy online access.

To start the process, use this link to complete a volunteer application and release authorization form.

<https://townofparker.quickapp.pro/apply/applicant/new/11250> - **Select “Volunteer” and “Apply”**

Please note: falsifying information is grounds for automatic disqualification.

1. Please submit this information within 48 hours of receiving this email.
2. Notifications from a Town representative regarding the results of your background check will be made only if there is an issue. Otherwise, there will be no further communication on your submittal.

Thank you!
